Year 5 Aylmerton trip

Your child's school journey is likely to be one of the first times that they have been away from home without family members. We hope that the details below will help you to be reassured that your children will have a great time. Please speak to us if you have any questions, so that we can reassure you.

What are the dates and when do we arrive?

The trip is from Wednesday 23rd April until Friday 25th April.

Please arrive at the front entrance of the school on Monday and make your way to the hall. Check in will be like an airport check in and you need to check in between **8.30am and 8.45am**. We will then aim to depart at **9.30am**.

Register and Medicines	Luggage Check-in
Mr Newcombe	Heather and Miss Parmenter

We aim to be back at school at 3pm on Wednesday (Updates will be sent via Parentmail).

Please collect your child from the hall so that we do not lose any children!

Activities during the trip

During the trip, the children will be learning all about Geography, Science and working together. There is no substitute for first-hand experience, when seeking to bring subjects to life!

We will be exploring a great range of habitats on foot, so the children should be prepared for plenty of walking 'in the elements'.

We always encourage a 'challenge by choice' approach to our residential: the children will not be forced to take part in any of the activities but they will be encouraged to give everything a go.

Food

All of the food we eat at Aylmerton is freshly prepared on the day onsite and is of very high quality. For each meal there will be options for the main course which the children will choose on the day.

If your children have any dietary requirements please let Mr. Newcombe know so an alternative can be arranged with the Aylmerton Catering Team in advance. Please do not contact Aylmerton Field Studies Centre directly.

Your child does not need any sweets for 'midnight snacks' as they will have plenty to eat – any 'contraband' will be confiscated and may be returned upon our arrival back at school!
